Bradford's

For those who love fine home furnishings and European antiques, Bradford's, 4100 Hillsboro Rd., is a must-see.

For more than 100 years, Bradford's has furnished Nashville's finest homes. There are very few full-line, full-service home furnishing stores left in the country, but Bradford's has maintained its dedication to providing customers with the best of interior design—from floor to ceiling and everything in between.

Antiques are hand-picked in Europe, specifically for the Southern market, and Bradford's Oriental Rug Gallery has won national acclaim for outstanding selection and service. Also, Bradford's fabric library is one of the largest and most complete in the South. Open Monday-Friday 9 am-5:30 pm and Saturday 10 am-5:30 pm. For more information, call 615-297-3541.
