THE GREEN BULL JEWELRY CO.

“Sculpture on a small scale” is what owner Jerry Gowen believes jewelry’s true calling is...and he’s spent a lifetime proving that to be true. His jewelry store, The Green Bull Jewelry Co. is located in the renovated 1898 Boerne Livery

Stable and features many unusual and one-of-a-kind pieces.

At the age of six, Jerry made his first piece of jewelry, and in the years to follow, studied several art mediums, including oil painting and sculpture. After graduating from college with a degree in theology, Jerry continued to study jewelry technology at the Texas Jewelry Institute. Over the years, he has received numerous awards for his designs. His celebrated collection, “Simply Divine,” features crosses in sterling silver, 18- and 22-karat gold, and colored gemstones and diamonds. And his Texas-inspired line, “Jewelry with a Texas Attitude,” also boasts many unique pieces, composed of well-known symbols such as the Texas star, the longhorn and others.
