

Gourmet, Specialty Foods & Wines

*The most fun you'll ever
have in the kitchen!*

When you walk through the doors of Kitchenique at The Market Shops at Sandestin, you know immediately that you are in for a fun and

delicious treat! Kitchenique is so appropriately named because it is truly the most unique kitchen store imaginable. Since 1985, Kitchenique has carried all the latest gadgets, cookbooks, gourmet coffees, teas and foods, as well as the highest quality cookware, bakeware and cutlery. Walk toward the kitchen, and you will be invited to taste the day's samplings of gourmet foods. The friendly, well-trained staff is quick to make cooking suggestions; demonstrate anything from a gadget to a top-of-the-line espresso machine; or grab an item from the fridge for a taste test. On a regular basis, up to 22 cooking school students gather around the counter of the professionally-outfitted kitchen to sample dishes prepared by the area's most talented chefs, and enjoy wines paired to compliment each delicious meal.
