Along with filling out the above questionnaire, please email us any of the following information as is pertinent to your business.
You can email us at info@aladysdayout.com.

1. Any pertinent information such as: newspaper clippings, magazine articles, business cards and brochures.
2. If you are to receive a black and white logo or picture within your story, be sure to follow these guidelines: A digital image of at least 300 dpi is best.
 - A. Logo – a business card will work if it is a light colored stock with all printing in one dark color. Black and white is best. If not please send a slick from your printer.
 - B. Picture – a disk will work, please write on disk what type – jpeg, tif, etc. If you do not have a disk, an original picture no smaller than a 5×7 with a glossy finish—no matte finish.
3. If you have the front cover or an inside color picture—a disk with minium resolution of 300 dpi will work; but the bigger the better! Please write on disk what type—jpeg, tif, pdf, etc.

Please answer the following questions as thoroughly as possible with special attention to any human interest information—answers do not have to be complete sentences.
